

GROUP DENTAL INSURANCE POLICY SUMMARY

Policyholder: Riverside Family Dental Associates

Insurer: Guardian Trust Dental Insurance Co.

Policy Number: GDT-2026-04471

Effective Date: April 1, 2026

1. COVERAGE OVERVIEW

This policy provides group dental coverage for Riverside Family Dental Associates' eligible employees and dependents. Coverage includes preventive care (100%), basic procedures (80% after deductible), and major procedures (50% after deductible), subject to an annual maximum benefit of \$2,000 per covered individual.

2. PREMIUMS

Monthly premium is \$46.50 per covered employee, billed to the Policyholder on the 1st of each month. Premiums are subject to change at each annual renewal based on claims experience.

3. DEDUCTIBLE

An annual deductible of \$50 per individual (\$150 family maximum) applies to basic and major procedures. Preventive care is not subject to the deductible.

4. WAITING PERIODS

Major procedures are subject to a twelve (12) month waiting period from the effective date of coverage for any newly enrolled individual, except in cases of accidental injury.

5. EXCLUSIONS

This policy does not cover cosmetic procedures, orthodontics for adults over 19, or any procedure performed by a provider outside the Guardian Trust network without prior authorization.

6. KEY RISK / UNUSUAL CLAUSE

The \$2,000 annual maximum benefit per individual is low relative to the cost of a single major procedure (a root canal with crown can exceed \$2,500), meaning employees needing major work will likely face significant out-of-pocket costs even while "covered."

7. CLAIMS

Claims must be submitted within ninety (90) days of the date of service. Late claims may be denied at the Insurer's discretion.

This document is a summary of coverage. The full policy contract governs in the event of any discrepancy.
